

Industry

KVS-105 Rear Trackball

Rugged keyboard made of stainless steel with integrated trackball for back panel mounting.

Artikel-Nr.	KV1515
Bezeichnung	KVS-E90-R-Track-USB-Ger
Ausführung	PS/2 interface, german layout
Varianten	2 Ausführungen

Product description

This keyboard has an integrated touchpad with 2 keys instead of the NUM-block. This saves a lot of space and the touchpad is close to the rest of the keyboard.

Like the other keyboards of the fullsize-range this keyboard is water- and dust proof to IP65 and has a good tactile feel due to the raised keycaps.

As frontpanel mounted version this keyboard can be easily integrated into an existing housing.

For further information you can go to the main page of this keyboard range.

Technical data

Mechanical data

Housing	High-Grade Steel
Degree of Protection	IP65
Dimensions	449 x 145,4 x 38 mm
