Product description

This waterproof, optical desktop mouse is IP 68 and IP 68 compliant. The two-button mouse comes in black and can be sanitized and disinfected. Additionally you have a scrollbar for natural, intuitive scrolling without a wheel.

The antibacteria protection minimizes bacteria growth. So the product is suitable for hygienic sensitive areas, like medical environments. The high protection degree IP68/NEMA4X keeps a enables good disinfection and resistance against water and chemicals. Cleaning in a dishwasher is also no problem for the mouse.

Features

- Can be disinfected and with antimicrobial protection - reduces bacteria growth
- Water- and Chemical-Resistant - IP68 / NEMA 4X
- Dishwasher safe for easy cleaning
- For medical, industrial, marine, and any environment where dust, moisture or liquid is a concern.
- With two mouse buttons and scroll wheel
