Features

- A standard CAT 5 cable cut to any length up to 150 feet (45.7 m) and wired with standard RJ45 network connectors will work.
- Using standard USB drivers included with your Operating System, the USB Extender does not require installation of any additional software and is compatible with Windows, Mac, and Linux.

- The X-keys Extender is compatible with all USB (1.1) devices such as keyboards, bar code scanners, printers, or USB hubs.
