Product description

The desk kit allows a concealed cable routing and offers a high quality mounting solution.

Like the other keyboards of the KVS-E series this keyboard is water- and dust proof to IP65 (trackball dynamic IP54) and has a good tactile feel due to the raised keycaps.

Features

- Variale mounting due to the separate desk kit
- Especially suitable for terminals and control units
- Water- and dust proof to DIN IP 65 (trackball dynamic IP54)
- Long-travel keys allow a comfortable data input

Accessories

ZS-2-Anschlußkit

ZS2159
