

Industry

KVK-84 stainless steel keyboard, industrial keyboard with touchpad and USB

Robust metal keyboard DIN IP65 for industry.

Artikel-Nr.	KV1599
Bezeichnung	KVK-84-USB-Ger
Ausführung	USB, Deutsch
Varianten	3 Ausführungen

integratable

Metal

Keyboards

Product description

The stainless steel keyboard has 84 keys fully encapsulated in sealed keymat technology. The keys are labeled using a laser process, so almost all country layouts are possible.

The PC keyboard is integrated in a stainless steel front panel and, in addition to the touchpad version, can also be ordered with or without a trackball (38 mm stainless steel). All input solutions are specially designed for harsh environmental conditions and industrial applications.

The devices are characterized by a high degree of robustness and a particularly long service life. The solid workmanship guarantees protection class DIN IP65, i.e. the keyboards are dust and splash-proof.

Features

- Industrial extreme environments
- Comprehensive protection of the electronic components, the guide elements and contacts against the ingress of dust and water jets (protection class IP 65)
- Carbon-Contact-Technology
- Ease of use thanks to long-stroke keys
- Almost impervious to violence
- Key labeling using the laser method - every country variant possible
- Built-in version with very small dimensions for prepared installation shafts
- Integrated stainless steel trackball, 38mm (static IP65, dynamic IP54)
- Connection variants: USB, PS/2, Matrix and customized

Technical data

Mechanical data

Housing	stainless steel
Degree of Protection	IP65 on front
Dimensions	397 x 111,85 x 20 mm
Cable Length	150 cm

Keys

Number of Keys	65 + 3 or 84
Keyboard Layout	German or US
Actuation Force	0,65 N
Stroke Travel	1,5 mm

Electric Data

Interface	USB
-----------	-----

Environment

Operating Temperature	from 0 °C to 60 °C
Storage Temperature	from -40 °C to 70 °C

delivery form

Total in one package	1 pcs
----------------------	-------

Additional Information

Conform	CE, EMC, RoHS
---------	---------------
