Artikel-Nr.	KP1261
Bezeichnung	X-keys XBE-14 T-bar USB keyboard
Ausführung	USB

Product description

Fourteen dedicated keys with addressable blue and red backlighting plus an embedded T-bar fader in an extruded case.

Create the perfect compact production controller with 14 programmable keys and an embedded T-bar fader that offers unique USB HID data reports for full integration.

The XKE-14 T-bar offers a smooth, accurate, and reliable T-bar control with 14 keys to create the perfect control panel for any application. Easy to label and customize with included legend sheets and full RGB addressable backlighting.

Control your broadcast with this reliable X-keys T-bar. Great for those who travel from show to show and need an efficient, compact set-up.

Features

- USB connection
- 14 relegendable keys
- T-bar Control
- Addressable RGB backlighting for each key
